

REMARKS

Applicants have carefully reviewed the Office Action dated April 3, 2006. Applicants have amended Claims 9, 19 and 24 and cancelled Claim 23 to more clearly point out the present inventive concept. Reconsideration and favorable action is respectfully requested.

Various 35 U.S.C. § 112 objections were made with respect to the claims. Applicants have amended the claims to the extent that they are understood. However, a number of these rejections appear to be with respect to a prior amendment. Applicants believe that the amendments now overcome the Examiner's objections and, therefore, respectfully request withdrawal of the 35 U.S.C. § 112 rejections.

All the claims are allowable with respect to Claims 19-22 and Claim 19 has been amended to incorporate the limitations of Claim 23, an objected-to Claim. Therefore, all of the claims are now believed to be allowable.

Applicants have now made an earnest attempt in order to place this case in condition for allowance. For the reasons stated above, Applicants respectfully request full allowance of the claims as amended. Please charge any additional fees or deficiencies in fees or credit any overpayment to Deposit Account No. 20-0780/PHLY-24,747 of HOWISON & ARNOTT, L.L.P.

Respectfully submitted,
